## YANC DISTANCE LEARNING DIRECTORY

Young Audiences of Northern California is excited to offer Residencies, Workshops and Performances adapted to Distance Learning this year!

Creating a hybrid of live and pre-recorded lesson plans and performances is our new normal.

Our artists have honed their craft for real-time, in-person learning.

### HOW DOES THIS TRANSLATE TO VIRTUAL LEARNING?

We have created live-zoom classes each week with the students as well as delivering pre-recorded activities, assignments, and study materials.

The following list will continue to be updated as artists will continue to develop new content!

Please check our website  
[WWW.YA-NC.ORG](http://WWW.YA-NC.ORG)  
regularly for updates.
